PROTECT BLUE MOUNTAINS WORLD HERITAGE

GIVE A DAM
ABOUT WORLD HERITAGE WILDERNESS

The NSW Government wants to raise the Warragamba Dam wall. Doing so will destroy 65 kilometres of NSW wilderness rivers in the Blue Mountains World Heritage area. When the community gets active, change is made. This coming Monday WEPA, in association with the National Parks Association of NSW, will be showing a documentary which showcases the spectacular landscapes under threat and the people who are trying to save it.

PLEASE HELP US FILL THE HALL - bring your friends and relatives.
