Accelerate follows Bill McKibben, the founder of 350.org, during his 2018 tour in Australia as he calls on us, our government, business and communities to accelerate action on climate change.

The Federal Election may be over but the movement for climate change action is growing!

Come along and be inspired by the achievable actions that you and your community can take to change the course of our planet's future.

Where: School Hall, Glenaeon Primary School, 121 Edinburgh Road,
Castlecrag NSW

When: 7:00pm Tuesday 16 July.

Entry by gold coin donation.

Join us after the event for further discussion over refreshments.
